

CHINA P&I 40th Anniversary

Draw up at Paranagua, Brazil

26 November 2024

On June 28, 2024, our BSc. Frumento attended the “2024 Global Forum on Maritime Services and 40 Years of P&I Service in China”, held on the North Bund in Shanghai.

The forum celebrated the 40th anniversary of the beginning of Protection and Indemnity insurance for ships offered by a Chinese Club.

Our firm would like to emphasize the pleasure of participating in such a significant event for the Chinese maritime industry.

The reception at the Club’s office and the Forum were remarkable; the preparation and execution foreseen the dedication of the team, which resulted in a distinguished event.
